RE: Weekend Visitation with Fernando Balbontin-Munoz

Dear Miss Sandra Balbontin-Munoz,

It has come to our attention that there have been two incidences of additional persons being present during Fernando's weekend visitations.

As per our agreement during mediation on November 23, 2020 and December 14, 2020 and according to the Ontario Covid-19 guidelines there is to be no additional persons in Fernando's presence during his visits. This is to ensure there are no unnecessary exposures to Covid-19 and that the visits are dedicated time with Fernando.

In the event that there are additional persons in Fernando's presence during future visits access will be denied until further notice to ensure Fernando's safety and well-being.

Sincerely,

Miss Skylar Herriman & Mr. Jonathan Saravia
